How To Place Your Child

The skills listed here are the skills that the participants will need to do to pass **out** of that class. As such, if your child can do all of the skills at a given level they should ***not*** take that class. Find the level where they can do some of the skills but not all of them (but can do all of the skills of the level before), and you have found the level in which your participant should be enrolled. We will subdivide classes by age whenever possible. Feel free to call our head instructor for assistance in selecting the proper class level.

CANCELLATIONS

If a lesson is cancelled because of inclement weather we will email you with that notification. As well, we will use www.remind.com to send you a text message if you sign up for that option (note that instructions to do so will be emailed to you along with other session preparation instructions). We will also try to post a notice at the pool entrance if possible. You will be contacted with make-up day information (note that make up days are on Friday). Please note that this is only if we cancel the lesson, not if you miss a day for personal reasons. In the event that we absolutely cannot make up such a cancelled class, we will issue you a refund for that class day.

MAKE-UP POLICY

We allow make-ups for missed classes that result from the participant's inability to make it to a scheduled class within the session you are currently enrolled or the immediate session thereafter ***if availabilities exist at the participant's class level.*** Make-ups for missed classes that result from the participant's inability to make it to a scheduled class are not guaranteed. This make-up policy is simply a courtesy that we offer to try and help our participants replace their missed classes.

Scheduling these make-up classes is the responsibility of the family missing the class and must be arranged with the head instructor of the program. No "walk-in" make-ups are accepted for legal, logistic & liability reasons.

Make up requests must be sent by email to Bailey Fillmore at todl.2@buckeyemail.osu.edu and you must receive a confirmation from Bailey in order to attend the make-up class.

REFUNDS

Refunds for cancellations made prior to the construction of the class schedule each session will be issued, in full, less a \$10 service fee. ***No full or partial refunds will be issued for cancellations once the class schedule has been set up for that particular session.***
